LIBERTY GARDEN

Liberty Garden is a new, contemporary, lifestyle brand with a strong belief in and commitment to creating change through community and global outreach.

RENAISSANCE OF KNIT

A visionary brand that dresses today's young woman in relaxed, casual and chic knits Liberty Garden embraces a distinctive take on effortless indie fashion. Color, texture, and contemporary silhouettes combine with the softest fabrication possible to create a collection of knitwear with an effortless attitude.

FASHION AS EXPERIENCE

The muse behind the brand is a woman who considers her wardrobe a reflection of her spiritual journeys rather than a mirror of fleeting trends.

FASHION AND COMMUNITY

Liberty Garden believes in community. We are dedicated to changing lives by providing life-saving medical treatments. For every item purchased, a life-saving medical treatment will be delivered to someone in need. One item purchased, one life-saving treatment given.

BUY ONE PIECE. CHANGE ONE LIFE.

We believe all people have a right to life and should have access to life-saving medical treatments. Liberty Garden is committed to helping provide that access.

YOUR PURCHASE CAN SAVE A LIFE.

For every item purchased, Liberty Garden will fund a malaria medical treatment for a person in need. These treatments help to ensure those who may otherwise be at risk are given the best chance at survival and recovery.

A CHILD DIES EVERY MINUTE.*

Every minute a child dies from malaria. Children and pregnant women are those who are most at risk. Malaria claims 660,000 lives per year—90% of those in Africa. More than 1,400 kids lose their lives to a mosquito bite every day.

DOCTOR'S WITHOUT BORDERS

Liberty Garden is proud to support Doctors Without Borders/Médecins Sans Frontières (MSF's) lifesaving work. Doctors Without Borders will deliver a malaria medical treatment, funded by a Liberty Garden purchase, to those most in need. The work done by MSF throughout the world, providing care to people everywhere, is legend and we are gratified to assist them in their far-reaching efforts.

TOGETHER WE CAN GROW LIFE.
